## ABOUT ME

Highly motivated and results-oriented Computer Science and Engineering student eager to leverage strong academic foundation and technical skills to gain first professional experience. Adept at Brainstorming, Programming and passionate about Artificial Intelligence & Machine Learning.

---

## TECHNICAL SKILLS

- C
- c++
- DSA
- Java
- Python

## SOFT SKILLS

- Presentation
- Team Work
- Logical Thinking
- Leadership

## EDUCATION

**Bachelor of Engineering(Computer Science)**  
Vivekananda College Of Engineering and Technology  
2023-2027

**Pre-University Education(PCMB)**  
Shree Subramanyeshwara PU College Subramanya  
2021–2022

**High School Education**  
Govt High School Elimale  
2018–2021

## CERTIFICATES

### Infosys Springboards

- Time Management
- C Programming
- Data Base Management System
- Analysis and Design of Algorithms

## COURSES

- Personal Development
- Humanities
- Physical Education

## INTERESTS

- Pencil Sketch
- Cooking
- writing
- Reading Books
- Travelling
- Exploring Historical Places
- Sports
- Developing Things
- Video Editing
